

FARMHOUSE CIDERS

JK'S HAYBALER

ORIGINAL SWITCHEL

For centuries this restorative drink has quenched the thirst of hard workers on farms across North America, including ours.

Our farmhouse switchel is a natural blend of organic apple cider vinegar, organic honey and organic ginger root juice. Best served cold, let this drink of the past naturally quench your thirst today.

OUR FIRST NON-ALCOHOLIC OFFERING IS A SWITCHEL, A TRADITIONAL AND REFRESHING DRINK DATING AS FAR BACK AS THE 1700s. IT HAS A LONG HISTORY OF BEING SERVED TO THIRSTY FARMERS AFTER WORKING IN THE FIELDS ALL DAY LONG, ESPECIALLY DURING HAY HARVEST SEASON.

OUR JK'S HAYBALER SWITCHEL IS CAREFULLY BLENDED WITH ORGANIC VINEGAR FOR A LITTLE PUCKER, ORGANIC HONEY FOR SOME ADDED SWEETNESS AND ORGANIC GINGER ROOT JUICE FOR A SPICY KICK. THE RESULTING BEVERAGE CAN BE ENJOYED ON ITS OWN OR AS PART OF YOUR FAVORITE COCKTAIL.

JK'S FARMHOUSE CIDERS AND SWITCHELS ARE MADE FROM ALL NATURAL INGREDIENTS, BLENDED AND BOTTLED EXCLUSIVELY AT OUR ORGANICALLY-CERTIFIED FACILITY IN FLUSHING, MI.
