# JK'S SMACKIN' MAC

## SINGLE VARIETAL HARD CIDER

JK's Smackin' Mac contains something truly remarkable; a single varietal McIntosh Hard Cider. The organic McIntosh apples are picked at both peak ripeness and slightly green to add that lip-smackin' tartness that will always bring you back for more.

Here at Almar Orchards, four generations of our family have been growing McIntosh apples and offering them for others to enjoy as fresh apples and in fresh, sweet cider.

We are now proud to be able to offer them in a perfectly balanced hard cider that encompasses their characteristic sweet, tangy and juicy flavor.

JK'S FARMHOUSE CIDERS ARE SLOWLY FERMENTED CONCOCTIONS MADE FROM OUR APPLES AND THE WILD YEAST ON THEIR SKINS. WE GROW, HARVEST, AND PRESS THE APPLES RIGHT HERE ON OUR FARM.

A CIDER UNLIKE ANY OTHER. THAT IS WHAT MAKES JK'S THE ONE YOU YEARN TO SIP.
