

FARMHOUSE CIDERS

JK'S NORTHERN NEIGHBOUR

FARMHOUSE CIDER

A collaboration with our neighbours to the North has resulted in this blend of Michigan Apples and Saskatchewan Saskatoons. The Saskatoon is a small prairie berry that gives our apples a smooth and lush taste with a bite of tartness at the finish. Gathered by JK from family orchards in Michigan and Saskkatchewan, this natural cider has been carefully fermented here at our farm using our traditional methods.

This deep-bodied, rich magenta-hued cider is a drink that just like friendship, knows no borders.

JK'S FARMHOUSE CIDERS ARE SLOWLY FERMENTED CONCOCTIONS MADE FROM OUR APPLES AND THE WILD YEAST ON THEIR SKINS. WE GROW, HARVEST, AND PRESS THE APPLES RIGHT HERE ON OUR FARM.

A CIDER UNLIKE ANY OTHER. THAT IS WHAT MAKES JK'S THE ONE YOU YEARN TO SIP.
