# JK'S WINTERRUPTION

## SPICED FARMHOUSE CIDER

As the sun arcs low in the mid-day sky, this year's harvest is slowly fermenting in its winter slumber. Everyone here at the Orchard enjoys a few halcyon days to remember the hard work in the last year's harvest. We look forward to next year's crop of apples. To warm ourselves in the cold northern solstice we enjoy our winter cider. Lightly spiced with ethically traded cinnamon, vanilla and maple syrup. Please enjoy a cider with someone you love and perhaps someone you don't. Please mend a bridge, extend a hand and be good to one another.

Whoever you are, whatever you do, recognize we are all the same. So hoist a wee glass of cider to your fellow man and look ahead to a wonderful future with a renewed sense of gratitude and optimism!

JK'S FARMHOUSE CIDERS ARE SLOWLY FERMENTED CONCOCTIONS MADE FROM OUR APPLES AND THE WILD YEAST ON THEIR SKINS. WE GROW, HARVEST, AND PRESS THE APPLES RIGHT HERE ON OUR FARM.

A CIDER UNLIKE ANY OTHER. THAT IS WHAT MAKES JK'S THE ONE YOU YEARN TO SIP.
